<b>19. REMARKS</b>					
<b>INSTRUCTIONS</b>					
1. Original shall be submitted to driver examiner. Upon completion of examination, original shall be returned to the unit commander. If applicant passes the examination, the original will be forwarded to the issuing officer. After permit has been issued, issuing officer will return original to unit commander for filing in applicant's service record. If applicant fails examination, original will be filed in service record without further action unless applicant is re-examined after driving instructions.  2. When an operator's identification card is to be renewed, the original shall be submitted to the issuing officer and shall be replaced in the service record upon completion of action. Current identification data, required for permit, must also be submitted.  3. Items 1, 2 and 3 must be completed for original permit. Results of a physical examination given within previous year may be accepted; operator may be re-examined at any time.  4. Items 4 through 9 are mandatory for the original application only.  5. Item 11-furnish as much data as possible covering all experience prior to date of first preparation of this form. Include any permit suspension or revocation and convictions of driving while intoxicated.			6. Item 15-if the operator's identification card issued does not qualify operator for all vehicles previously qualified as per item 12, place asterisk after permit number and explain in item 19.  7. Item 16-record all chargeable accidents as they occur. This fact shall also be reported on the accident report.  8. Item 17-keep current. Inform issuing officer of all violations. So state when "on duty" violation.  9. Item 18-put an "x" next to the appropriate wording appearing in parenthesis as necessary to make the statement valid. Use blank portion to record NSC's Defensive Driver Course, High School courses, or any other like courses.  10. Item 19-shall be used to record issuance of safe driver awards or other commendations for safe operation.  11. Upon separation without immediate reenlistment, the original shall remain in the service record. In the case of immediate reenlistment, the original shall be transferred to the new service record.
